DEFINITIONS

Base Rates- Non-emergency medical transportation base rates include all services, equipment and other costs, including: vehicle operating expenses, services of personnel, first five (5) "Loaded" miles of the trip, unloaded mileage, and usual waiting/standby time.

BR (By Report)- Paid at the public published rate, with administrative fee, based on the service and circumstances.

Loaded Mileage- Miles traveled while the client is present in the vehicle. Loaded mileage is covered for non-emergency medical transports when travel exceeds six or more miles. The first five (5) loaded miles is included in the payment for the base rate.

Unloaded Mileage- Miles traveled when a client is not present in the vehicle. All unloaded mileage is included in the payment for the base rate.
